

1                   SUBSTANCE OF EXAMINER INTERVIEW

2                   Applicant's Attorney (Richard Bucher) and Examiner Rayyan conducted a  
3 teleconference on June 26, 2007. During the teleconference, Applicant's Attorney  
4 and Examiner Rayyan discussed some of the references cited by the Office  
5 ("Isaacs et al." and "Martino et. al" specifically) and the Office's position with  
6 respect to the subject claims (claims 1-7, 9, 10, 12-30 1-8, 11, 15, 16 and 23).  
7 Applicant's Attorney and Examiner Rayyan discussed the possibility of Applicant  
8 making clarifying amendments with respect to the § 101 and § 102 rejections.  
9 However, no specific agreements were made in this regard. Applicant's Attorney  
10 and Examiner Rayyan did agree, however, on certain claim amendments that, if  
11 made, will result in the Office withdrawing the claim objections and the § 101  
12 claim rejections.
